

Investcorp Capital PLC Appoints Al Ramz as a Liquidity Provider

Abu Dhabi, 01 September 2025: Al Ramz Capital LLC announced today its appointment as a liquidity provider for Investcorp Capital PLC, an Abu Dhabi-listed alternative investment company that provides professional investors with direct exposure to a global portfolio of investments (ADX: ICAP). Following regulatory approvals, Al Ramz will commence independent trading of ICAP shares within specified parameters and in adherence to regulatory guidelines on 01 September 2025.

A listed company appoints a liquidity provider to optimize share trading by enriching the order book, minimizing trading spreads, reducing price volatility and augmenting trading volume. This, in turn, diminishes the overall illiquidity discount, narrowing the divide between intrinsic and market value.

Al Ramz is a licensed market maker on the Abu Dhabi Securities Exchange (ADX), Dubai Financial Market (DFM) and Nasdaq Dubai with more than 25 years' experience in UAE capital markets.

Mr. Karim Schoeib, CEO of Al Ramz Capital LLC, commented: “We are pleased to announce our appointment as the liquidity provider for Investcorp which is a distinguished addition to our portfolio of mandates spanning across diverse sectors within the UAE. This appointment stands as testament to our ability to deliver tangible results while upholding the highest standards of governance and transparency. Al Ramz will diligently facilitate a healthy order book, foster optimal trading conditions and enhance trading spreads. We extend a warm welcome to Investcorp and assure its stakeholders of our unwavering commitment to fulfilling the agreed-upon mandate.”

Al Ramz is widely recognized for its market-making services and has demonstrated a consistent ability to enhance liquidity provision by facilitating synergistic relationships within distinct markets. Since introducing its market-making and liquidity provision services, Al Ramz has firmly established itself as a prominent leader in this domain. These services are available on the Abu Dhabi Securities Exchange, the Dubai Financial Markets, and the Nasdaq Dubai.
